

DEMOCRATIC POLICING

Exchange

VERA INSTITUTE
LIBRARY

At the request of the Ford Foundation, the Vera Institute of Justice will resume publication of its semi-annual newsletter on public safety and police accountability, *Democratic Policing Exchange*. This “mini” version covers active Ford policing-related grants, recent publications, and upcoming conferences of interest to the international community of policing-reform practitioners, researchers, and funders. Future issues will also include reviews and reflections on Ford-sponsored international policing conferences. The goal of *Democratic Policing Exchange* remains to foster discussion about issues that concern actors in policing reform throughout the world. To that end, subsequent issues will be published through the Institute’s web site, www.vera.org. The first complete on-line issue is scheduled for fall 2002.
